

ITEM NO.:LA-164658

Installation Instruction:

1. Switch off the mains supply;
2. Drill holes (Fig:1) on the ceiling where the fixture is located;
3. Put the rubber plug in hole (Fig:2) and fix the bracket on the ceiling;
4. Connect (110V-200V) to the terminal of the fixture (Fig:3);
5. Install the fixture (Fig:4), fix the bulb and switch on the power if above steps done properly without any mistake.
